

MIRACLES CAN HAPPEN 100 HEALINGS

Do you suffer from long-standing pain, whether if be physical, mental, or emotional?

Do you have a difficult time moving, walking, sitting, or sleeping?

Are you suffering from neck or back pains that have been with you for years?

Are you living with cancer or anorexia, cerebral palsy, arthritis, multiple sclerosis, infection, or sensory issues?

Are you recovering from an operation?

Are you suffering from an unknown illness or disease?

Have you or a loved one exhausted all avenues for self-healing?

Are you ready to stop searching? Look no further.

Experience a new form of healing that has been researched and tested by top notch medical universities, with well-documented results worldwide. Dr. Eric Pearl, who was recently featured on the Dr. Oz show, has traveled the globe conducting healings and training practitioners of Reconnective Healing,[®] a powerful experience that attunes you to a higher frequency of existing, more than ever before. The results are life-changing, if not miraculous.

About the healer. Sat-Akal is a certified re-connective healing[®] practitioner, clairvoyant, shamanic practitioner, teacher of yoga, and a modern day priestess. She is referred to as a priestess of compassion, sincerity, and fun-loving delight. She is committed to supporting self-healing and creative living as a natural way of being. For more information about her work, please go to www.artfullivingmovement.com.
