WHY GED READ? A clairvoyant reading can offer you clarity, ease, peace of mind, and more. We will look at your aura and see what information is there to assist you in your next steps for growth. New insights can offer deeper meaning to your current energy, creative potential, and more. It is possible to look at past lives, to explore current/past relationships, career path, etc. You will have the opportunity to ask 1-3 questions depending on available time.
